Issue	A

Réf. 42722
Nom : Safety knife

Produit : Cutter de sécurité
Métier : heat shrink wrap
Utilisateur : Pro
Énergie : -

Description

It's resolves several issues in one. With its concealed blade, you will never have to worry about injuring yourself or damaging your goods. Thanks to its versatility, you only need the one tool to cut, scrape and split.

And with its 24 grams and ergonomic design, won't weigh you down with fatigue after a day of cutting.

In short: it is the cutting tool you have been waiting for.

Easy cut

- Cardboard: up to 2-ply
- Wrapping, stretch and shrink foil
- Tape
- Plastic strapping band
- Paper
- Bagged goods
- Cord, yarn

3-in-1 blade head

It's so comfortable to hold, that it feels like an extension of your hand. With it you can cut cardboard, split tape, open plastic strapping... You can even scrape residue off surfaces.

No blade change

The blade can neither get lost nor injure you during blade change. You won't change the blade! When the time has come, simply drop the cutter into a sharps container.

Ergonomically shaped

Right handed? Left handed? It's really all the same. Fits perfectly in any hand. Gently arching outer edges, coupled with light ribbing and a low weight, ensure an ergonomic experience.
